A year long course to explore the Greenwood Wisdom; the British Tree Ogham

Commences: **Saturday 18th April 2010**

then 22nd May, 13th June, 17th July, 22nd August, 25th September, 24th October, 20th November, 11th December, 29th January 2011, 26th February, 26th March

Cost: £185 (booking essential, payment scheme available)

The aim of this course is to develop a working and practical knowledge of the Ogham. There will be 12 workshops throughout the year. Here you will learn how to use the Ogham for divination, healing, inspiration and insight. Also you will learn how to create incenses, essences and potions - true plant spirit medicine of the British landscape. The cost of the course includes a copy of the "Green Guide to Trees of Britain and Europe by J.R.Press", A workbook created by Rob, specifically for this course, Attendance to all 12 workshops and continued support during the whole year of your studies.
