Modern Rhythms A Pagan Drum Circle

4th Thursday of every month

£5 per person

Addington Village Hall, Park Road, Addington, Kent

Come and join us as we celebrate the seasonal cycle and the songs, chants, stories and rhythms of our wild souls, through our frame skin drums. Bring your own drum, or rattle and something to sit on, you may

Even want to bring a seasonal offering for the Altar.

Each month is different as we take our inspiration from the change cycle of the natural world; with drumming, chanting, ritual, trance dance, story telling, healing and shamanic journeys.
